Corporate Sponsor Membership Application

The Jaguar Club of Minnesota invites you to consider a Corporate Sponsor Membership. This membership gives your organization exposure to our fine auto enthusiast members, with advertisements in our JCM newsletters, directory and website. Your Sponsorship provides your company 3 (three) individual JCM memberships with full access to Club activities such as participating in all driving, technical and social affairs of the Club. Corporate Memberships may not hold office or vote. The Corporate Sponsor and Membership must be updated and renewed annually during our regular membership drive by December 15th of each year.
